Warranty:

Mills Architectural Lighting warrants its products against defects in material and workmanship. Mills will, without charge, either repair, replace or have repaired any properly installed fixture which fails under normal operating conditions within three (3) years from the date of shipment.

Should a defect occur, Mills Architectural Lighting reserves the right to decide between replacement or repair, and our inspection will determine the extent of the repair should fixtures be returned to us.

This warranty covers only equipment manufactured by Mills Architectural Lighting, and does not include transportation, labor or installation charges.

This warranty does not cover any defects or damages caused by shipping, improper installation or abuse to the product under normal use. It does not cover any malfunction due to improper maintenance of the fixture.
